Comprising the Naval Medical Readiness Logistics Enterprise

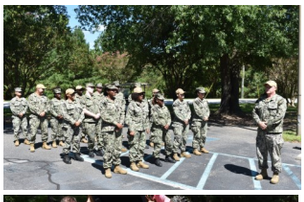
November/December 2023

Mission: We support readiness by providing deployable medical systems, high-quality eyewear and ophthalmic devices, and fleet logistical solutions.

Vision: We will be Navy Medicine's premiere integrated medical logistics support activity.

The Reason for Our Success Is Our People

Go Navy/Beat Army. Go Army/Beat Navy!

They called this year's game an "instant classic." Maybe because it was the first time the game was played in Gillette Stadium, home of the New England Patriots. Maybe because the Army has failed in the past 14 attempts to beat Navy. But this year, the Army team pulled out a victory that was almost surely going to result in another Navy victory. It just didn't pan out that way this year. Army took an intentional safety to run the final seconds off the clock and finish with a final score the Army 17 / Navy 11.


Throughout the year, NMRLC has hosted and participated in various events around the command. Here are just a few of those images.
